

Upperthong B v Nortonthorpe B (21/09/08)

Nortonthorpe 2nd XI did have something to play for however, with a victory away at Upperthong combined with a defeat for Wooley at Birchencliffe required for them to get up into the 2nd promotion spot in Section E. Nortonthorpe Industrial Park Ltd also sponsored their match ball. Despite going with high hopes against a team they beat very easily in the first half of the season, it all went horribly wrong as they were bowled out for just 48 chasing a moderate 109 to win, with only Roger Littlewood's 4-16 worthy of a mention.

What is worthy of a mention however are the significant efforts of groundsmen Adrian Whittaker and Ian Rank, and of course those of tea lady Margaret England, for which all involved with the Cricket Club are extremely grateful.
